

## **The Walsingham Way -**

Two parishioners are walking from Norwich to Walsingham, in this special Jubilee year. On the final day of the walk, **May 5th**, they will be joining the **Diocesan pilgrimage of East Anglia**, at Walsingham.

The first 2 day's dates are yet to be agreed but the final 3 days will be consecutive, that is, on the 3rd, 4th, 5th May.

Divided into 5-mile sections, you are invited to join the walk for one section, a single day (approximately 10 miles), or the complete walk (approximately 45 miles).

**Anyone who is interested please call either Anne 01379 658867 or Ann 01379 641749.**

If there is enough interest, a meeting will be arranged to provide more details on the logistics and answer any questions you may have to help you decide if you would like to join them.
